DIRECTIONS FROM MALAGA AIRPORT TO

**“Hacienda del Sol”,
Crta N340 (A7) km 168, 29680 Spain**

(Journey time about 45 minutes)

Directions

On leaving the airport stay in the right hand lane and slip road and join the A7 highway (N340) in the direction of Algeciras/Cádiz. After about 2 km stay in the right hand lane with blue motorway signs (A7) direction Algeciras/Benalmádena – this takes you up onto the AP7 motorway.

The AP7 motorway (autopista) climbs, passing behind Torremolinos and Benalmádena and then drops down towards Fuengirola, stay in the left hand lanes to follow the AP7 motorway and after about 10 minutes you will come to the toll (peaje) - have a few euros or credit card available. Continue and after about 10 more minutes the motorway again merges with the coastal A7 behind Marbella. Stay in the right hand through the tunnel, this takes you down towards the coast just West of Marbella. You will pass a large shopping mall on your left at Puerto Banus called Costa Marbella (El Corte Inglés/Hipercomercio)..

Continue on the A7 under San Pedro in a tunnel that runs for about a mile. Continue in the direction of Estepona and take the turning CAMBIO DE SENTIDO CANCELADA. Go around the roundabout, across the bridge and back onto the A7 the way you came. Look for the Hacienda del Sol sign on the right, turn right where you will get to a big roundabout, they will meet you here

Travel Options

Car Hire

We are happy to recommend Malaga Car. They are located just a short shuttle ride from Malaga Airport and usually offer one of the quickest car options to get away from the airport.

Local Bus Service

If you don't fancy hiring a car, a really cheap and quick option is to get the bus that leaves right outside the airport arrivals.

It takes around 40 mins to get to the Marbella bus station and costs in the region of 6 euro per person.

Once in Marbella you could get another local bus, or a Uber/taxi which will start at around 20 euro each way.

Bus tickets can be purchased at the airport or you can prebook a specific time via the website

Other Options

There are plenty of taxis waiting at Malaga Airport or you can prebook a private transfer but these tend to be more expensive options

Meeting Points

Side Gate

Nearest entrance to the apartment if you are on foot.

When you call Ria from the airport, she will arrange with you the best place to meet her. The two main options are shown here.

If for some reason she is not available, she will leave the keys at the main gate for you to collect

Main Gate

The only entrance if you are bringing a car, or collecting keys from security

Finding the Apartment

If you are collecting the keys from Security

By Car: follow the red line on the picture

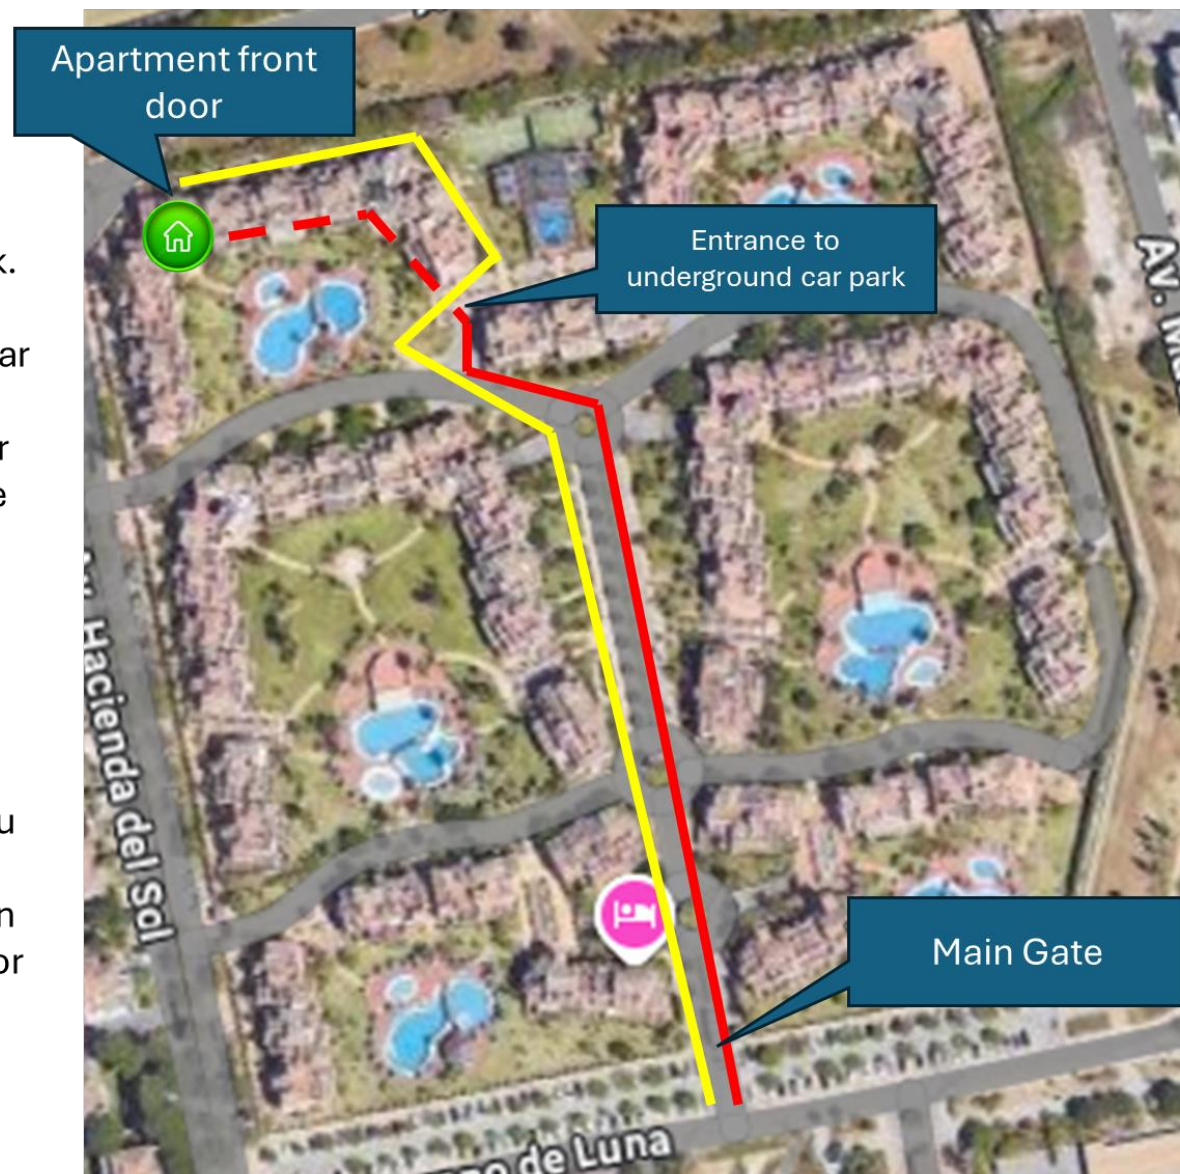

— Internal road - - - Underground car park.

The fob with the keys will open both the electric main gate and the entrance to the underground car park. Our parking space is number 65.

Once parked, walk back in the direction of the car park entrance and go through the first door on the left. Through here you will find a lift, take it to the ground floor, and our apartment is directly outside the lift door.

By Foot: follow the yellow line on the picture

At the end of the walk you will find entrance 27 which can be opened with one of the two keys you have been given. Going inside and staying on the ground floor walk to the end of the corridor and on your right, next to the lift you will see the front door this is opened with the second key (more rounded end)

That's everything you should need,
Once inside the apartment look out for the information folder on or around the coffee table.

In here you will find more information on the apartment and the surrounding area.

Once again thank you very much for choosing our apartment, if you have any questions don't hesitate to ask
